Louth Hockey Club versus Bourne

Louth 1st's 4 Bourne 2nds 1

FROM the off Louth were determined to make up for the previous games. A centre pass came to Clarice who swept the ball towards the D where Maggie connected with the ball on the open side and striking it first time sent it under the Keeper to score.

Bourne steadied themselves and pushed for an equaliser.

Veronica and Amos, working in partnership at the back, cleared to the lines out wide.

The left midfield of CC and Dutch were backed up strongly by Clarice and attacking positions were once again in force.

A lovely pass from CC, to the top of the D, was deflected to the left post where Maggie was once again in position to put the ball in to the back of the net for 2-0.

The second half saw Bourne attack, but the sustained pressure came to nothing.

Lucy and Sarah zig zagged down the right, ending with a lovely sweep across the D towards Maggie, who drew the Keeper who perfectly timed a magic pass to Anal who slotted the 3rd goal away.

Louth then dropped off the pace. Bourne applied the pressure in the mid field and opened the defence scoring just inside the post, clipping Bombers pads on the way in.

In the final seconds of the game Louth were awarded a Penalty Corner and the ball was struck veraciously by Clarice, resulting with the ball spinning on the goal line and Anal was able to put the final touch in making the result 4-1.
