Louth 2nds Gainsborough Roses 2nds

THE first 15 minutes of play set the tone of the game with possession of the ball fifty fifty, with both teams catching each other on the break forcing their goal keepers to make saves.

Becky, for Louth, cleared her lines well and started the Louth attack.

The midfield of Chloe, Sally Ann, Mrs Ward and Trotskji worked well together, putting Louth on the front foot and leading to the first goal. J.J received, at the top of the D, and unselfishly slipped it to Saz who put the ball home.

Heads were lifted and the tension was gone, Louth looked a different team. Using the diamond four of Bella, Olivia, Kelly and Saz the ball was spread from wing to wing. Several chances eluded Louth until Bunney passed to Trotskji and she put a lovely, weighted ball towards the left post and Choloe's timed run sailed it home for 2 nil.

Roses uped their game and fought back, putting a long ball though that was swept home causing Becky to change direction and reach across the goal narrowly missing a save. Thanks to super sub Jenny.

Players of the match were Saz and Bella.
